

Of Dust And Nations
Thrice

Thrice - Of Dust And Nations

Taken from the Red Sky EP, this is the live acoustic version of the song.
Tried to get it as close as possible to it as I could!
Enjoy!

Intro: **F#m Bm** x2

Verse:

F#m
The towers that shoulder your pride
F#m
The words you ve written in stone
Bm
Sand will cover them
Bm
Sand will cover you
F#m
The streets that suffer your name
F#m
Your very flesh and your bone
Bm
Sand will cover them
Bm
Sand will cover you

Chorus:

D **F#m**
So put your faith, In more than steel
A
Don t store your treasures up, in moth and rust
E
So theives break in and steal
D **F#m**
Pull the fangs, from out your heel
E **D**
For we live in but a shadow of the real

Bridge:

F#m
Step out from time and see the
Bm

Dust of nations

F#m

Step out from time, hear the

A E

Stars ovation

Bm

Saturn will not sleep, until the sand has made us clean

F#m E

Still we stack our stones and bury what we can

Bm

But it all will be undone, nothing built under the sun

F#m E

Forever stand before the endless march of sand

Chorus: x2

Outro:

F#m E D x3

End:
