

Silver Wings
Thrice

here are the chords Dustin plays on the OC Register live show

Dustin and Tep did this song so i would say it takes two for this one,
so if you have a bud who wouldnt t mind joining you go for it

Am, F

Am

D:From tender years you took me for granted

F

T:But still I deigned to wander through your lungs

Am

D:While you were sleeping soundly in your bed,

F

T:Your drapes were silver wings, your shutters flung)

Dm

D:I drew the poison from the summer s sting,

F

T:And eased the fire out of your fevered skin.

Dm

D:I moved in you and stirred your soul to sing;

F

T:And if you d let me I would move again.

G

D:I ve danced tween sunlit strands of lover s hair;

F

T:Helped form the final words before your death.

G

D:I ve pitied you and plied your sails with air;

F

T:Gave blessing when you rose upon my breath.
