VERSE 1:

Verse Riff

There s many who ll tell you, they ll give you their love

Verse Riff

When they say, give they mean take

Verse Riff

Hang round just like vultures till push comes to shove

Verse Riff

Take flight when the earth starts to shake, yeah

Verse Riff x2

Verse Riff

Someone may say that they ll always be true

Verse Riff

Slip out the door fore the dawn

**D2 C** Verse Riff

But I won t leave you hanging on

Verse Riff

Another may stay till they find someone new

Verse Riff

Before you know they ll be gone

**D2 C** Verse Riff

But I won t leave you hanging on

**D2 C** Prechorus Riff

No, I won t, won t be that someone

CHORUS:

**Em Bm Am**

And come what may

**D3 C2 Am**

I won t abandon you or leave you behind

**Em D G**

Because love is a loyalty sworn

**D C**

Not a burning for a moment

**Em Bm Am**

Come what may

**D3 C2 Am**

I will be standing right here by your side

**Em D G D**

I won t run away though the storm s getting worse

**C** Verse Riff x2

And there s no end in sight

VERSE 2:

Verse Riff

Some talk of destiny, others of fate

Verse Riff

Soon they ll be saying goodbye

**D2 C** Verse Riff

But I won t leave you high and dry

Verse Riff

Cause a ring don t mean nothing If you can t haul the weight

Verse Riff

Some of them won t even try

**D2 C** Verse Riff

But I won t leave you high and dry

**D2 C** Prechorus Riff

I won t leave you wondering why

CHORUS:

**Em Bm Am**

And come what may

D3                    C2                    Am  
I won t abandon you or leave you behind  
                         Em                    D                    G  
Because love is a loyalty sworn  
                         D                    C  
Not a burning for a moment
