

Angels On The Moon
Thriving Ivory

Verse 1:

C
Do you dream
That the world will know your name
Am F
So tell me your name
C
Do you care
Am F
About all the little things or anything at all
C
I wanna feel

All the chemicals inside
Am F
I wanna feel
C
I wanna sunburn

Just to know I m alive
Am F
To know that I m alive

Chorus:

C
Don t tell me if I m dying
G
Cause I don t wanna know
Am
If I can t see the sun
F
Maybe I should go
C
Don t wake me cause I m dreaming
G
Of angels on the moon
Am
Where everyone you know
F
Never leaves too soon

Verse 2:

C
Do you believe

In the day that you were born

Am F

Tell me do you believe?

C

Do you know

Am F

That everyday s the first of the rest of your life

(CHORUS)

Bridge:

C

This is to one last day in the shadows

And to know a brother s love

Am

This is to New York City angels

And the rivers of our blood

F

This is to all of us

G

To all of us

Ending Chorus:

C

Don t tell me if I m dying

G

Cause I don t wanna know

Am

If I can t see the sun

F

Maybe I should go

C

Don t wake me cause I m dreaming

G

Of angels on the moon

Am

Where everyone you know

F

Never leaves too soon

C

You can tell me all your thoughts

G

About the stars that fill polluted skies

Am

And show me where you run to

F

When no one s left to take your side

C

But don t tell me where the road ends

G

Cause I don t wanna know

Am

No I don t wanna know

F

I don t wanna know

Outro:

Am

F

Don t tell me if I m dying

Am

F

Don t tell me if I m dying

Am

F

Don t tell me if I m dying
