

Where We Belong
Thriving Ivory

CAPO 5

Em **G** **D** **A**
We re too far out we re in too deep
Em **G** **D** **A**
And we ve got miles to go before we can sleep
 Em **G** **D** **A**
I said, we ve been walking a thin line
 Em **G** **D** **A**
You ve got one hand on the devil baby and one hand in mine
 C **D**
But don t let go no it s not too late you know

C **G**
Hold on we re gonna make it if it takes all night
Em **D**
Hearts racing like a rocket at the speed of light
C **G**
Don t fight it we ve been running for far too long
D
We re going back where we belong
C **G**
So hold on we got our wings and we re chasing the wind
Em **D**
Farewell to all the places that we have been
C
And if it takes us all night long
D
We re going back where we belong

Em **G** **D** **A**
So we ll build temples in our heads
Em **G** **D** **A**
When we ve grown frail and all our bones are of lead
Em **G** **D** **A**
We ve been walking a winding road
 Em **G** **D** **A**
Let s go, no footsteps to follow baby and no signs to guide us home
 C **D**
Don t let go, no it s not too late you know

C **G**
Hold on we re gonna make it if it takes all night

Em **D**
Hearts racing like a rocket at the speed of light
C **G**
Don't fight it we've been running for far too long
D
We're going back where we belong
C **G**
So hold on we got our wings and we're chasing the wind
Em **D**
Farewell to all the places that we have been
C
And if it takes us all night long
D
We're going back where we belong

C
See I have to believe that there's more than this seems
D
More than a soul in a boat in a sea of sinking dreams
Em
And I have to be sure that there's gonna be a cure
G **C** **D**
cause somewhere down the line, I lost that part of me that's pure.

C **D**
But don't you let go yet no it's not too late you know
C **G**
Hold on we're gonna make it if it takes all night
Em **D**
Hearts racing like a rocket at the speed of light
C **G**
Don't fight it we've been running for far too long
D
We're going back where we belong
C **G**
So hold on we got our wings and we're chasing the wind
Em **D**
Farewell to all the places that we have been
C
And if it takes us all night long
D
We're going back where we belong

C **G**
Hold on we're gonna make it if it takes all night
Em **D**
Hearts racing like a rocket at the speed of light
C **G**

Don t fight it we ve been running for far too long

D

C

We re going back where we belong

D

We re going back where we belong
