

Baby Youre Bored
Throw Me the Statue

The timing might be a little tricky, but overall it s fun to play and sing.
I did the best I could to interpret the lyrics. They re also up on SongMeanings.

//Guitar 1 - Acoustic//

E

Baby you re bored

B

It s hard to relate

A

E

You stall in the light of day

A

E

Open wound in the troubled hands

B

A

I was keeping one eye focused

E

Now we feel old

B

Hang as a drape

A

E

Take our stabs at the plan

A

E

Sleeping with the leftist zip code

B

A

You found a friend in lost states

Chorus

A

Lately those Saturn eyes

E

Lock in appalling shapes

B

Saying all that you

A

Cannot say what you come back for

A

Truth of another day

E

Lights up a new escape

B

Let s be of these times

A

Holy blue with the breaking glow

(Solo)

E-A-B-A-E

//Guitar 2 - Distorted Electric//

```

//Guitar 1 - Acoustic//

E

Inside the pace

B

Hardens and grace

A E

Fossilized by a game

A

Talk to death

E

Worst case systems

B A

Cheap in such nice meetings

E

Five faces Jake

B

Sings with a shake

A E

Jumping over the moon

A E

All I want is a brethren

B E

I could keep the signs in focus

Chorus

A

Lately those Saturn eyes

E

Lock in appalling shapes

B

Saying all that you

A

Cannot say what you come back for

A

Truth in another face

E

Lights up a new escape

E B

Let s be of these times

A

Holy blue with the breaking glow

(End on **E**)
