

Loser Thunder

Am **Am G Fmaj7**
Now I know you don't love me baby
Dm E
You're just trying to find a friend

Am **Fmaj7**
Darling don't deny
Am **Fmaj7**
You're a beauty in anybody's eyes
Dm **G**
I'm in the gutter and you're in the skies
E **Am**
Shining like a star

Am **Fmaj7**
Baby don't be cruel
Am **Fmaj7**
Cause if you drag me into loving you
Dm **G**
My poor heart would surely break in two
E **Am**
And that's a chance I can't take

Dm **G**
So don't think I'm stupid, but I don't understand
Dm **G** **E**
Why you're talking to me and holding my hand

Chorus

Am **Fmaj7** **C**
What'd you want with a loser like me?
G **E**
Cause I'm so confused
Am **Fmaj7** **Dm**
Look at any other man and you'll see
G **C**
That I was born to lose

C **G**
This ain't reality
Dm **G**
Cause I ain't ever fit to shine your shoes
E **Am**
I'm just a loser with the blues

Am Fmaj7 x 2

Am Fmaj7
Darling, think again
Am Fmaj7
Cause you don't love me, you're just trying to find a friend
Dm G
You're on the rebound and this is bound to end
E Am
So set yourself free
Dm G
You can sit there smiling and laugh it all away
Dm G E
But I'll be here crying when you leave me someday

What'd you want with a loser like me
When the world's in your hands?
When I think of all you could be
And I'm just a fool without a plan
Is there nothing I can say?
Got to make you try and understand

What'd you want with a loser like me?
Cause I'm so confused
Look at any other man and you'll see
That I was born to lose
This ain't reality
I'm just a loser with the blues

What'd you want with a loser like me
When the world's in your hands?
When I think of all you could be
And I'm just a fool without a plan
Is there nothing I can say?
Got to make you try and understand
I'm just a loser in a band, mmm
Just a loser in a band
