

Loser
Thunder

Bbm **Bbm G# F#maj7**
Now I know you don t love me baby
Ebm F
You re just trying to find a friend

Bbm **F#maj7**
Darling don t deny
Bbm **F#maj7**
You re a beauty in anybody s eyes
Ebm **G#**
I m in the gutter and you re in the skies
F **Bbm**
Shining like a star

Bbm **F#maj7**
Baby don t be cruel
Bbm **F#maj7**
Cause if you drag me into loving you
Ebm **G#**
My poor heart would surely break in two
F **Bbm**
And that s a chance I can t take

Ebm **G#**
So don t think I m stupid, but I don t understand
Ebm **G#** **F**
Why you re talking to me and holding my hand

Chorus

Bbm **F#maj7** **C#**
What d you want with a loser like me?
G# **F**
Cause I m so confused
Bbm **F#maj7** **Ebm**
Look at any other man and you ll see
G# **C#**
That I was born to lose
C# **G#**
This ain t reality
Ebm **G#**
Cause I ain t ever fit to shine your shoes
F **Bbm**
I m just a loser with the blues

Bbm F#maj7 x 2

Bbm F#maj7

Darling, think again

Bbm

F#maj7

Cause you don't love me, you're just trying to find a friend

Ebm

G#

You're on the rebound and this is bound to end

F

Bbm

So set yourself free

Ebm

G#

You can sit there smiling and laugh it all away

Ebm

G#

F

But I'll be here crying when you leave me someday

What'd you want with a loser like me

When the world's in your hands?

When I think of all you could be

And I'm just a fool without a plan

Is there nothing I can say?

Got to make you try and understand

What'd you want with a loser like me?

Cause I'm so confused

Look at any other man and you'll see

That I was born to lose

This ain't reality

I'm just a loser with the blues

What'd you want with a loser like me

When the world's in your hands?

When I think of all you could be

And I'm just a fool without a plan

Is there nothing I can say?

Got to make you try and understand

I'm just a loser in a band, mmm

Just a loser in a band
