Cm

F

Cm

F

D

But I ll be here crying when you leave me someday

What d you want with a loser like me

When the world s in your hands?

When I think of all you could be

And I m just a fool without a plan

Is there nothing I can say?

Got to make you try and understand

What d you want with a loser like me?

Cause I m so confused

Look at any other man and you ll see

That I was born to lose

This ain t reality

I m just a loser with the blues

What d you want with a loser like me

When the world s in your hands?

When I think of all you could be

And I m just a fool without a plan

Is there nothing I can say?

Got to make you try and understand

I m just a loser in a band, mmm

Just a loser in a band
