

Loser
Thunder

Bm **Bm A Gmaj7**
Now I know you don t love me baby
Em F#
You re just trying to find a friend

Bm **Gmaj7**
Darling don t deny
Bm **Gmaj7**
You re a beauty in anybody s eyes
Em **A**
I m in the gutter and you re in the skies
F# **Bm**
Shining like a star

Bm **Gmaj7**
Baby don t be cruel
Bm **Gmaj7**
Cause if you drag me into loving you
Em **A**
My poor heart would surely break in two
F# **Bm**
And that s a chance I can t take

Em **A**
So don t think I m stupid, but I don t understand
Em **A** **F#**
Why you re talking to me and holding my hand

Chorus

Bm **Gmaj7** **D**
What d you want with a loser like me?
A **F#**
Cause I m so confused
Bm **Gmaj7** **Em**
Look at any other man and you ll see
A **D**
That I was born to lose

D **A**
This ain t reality
Em **A**
Cause I ain t ever fit to shine your shoes
F# **Bm**
I m just a loser with the blues

Bm Gmaj7 x 2

Bm Gmaj7

Darling, think again

Bm

Gmaj7

Cause you don't love me, you're just trying to find a friend

Em

A

You're on the rebound and this is bound to end

F#

Bm

So set yourself free

Em

A

You can sit there smiling and laugh it all away

Em

A

F#

But I'll be here crying when you leave me someday

What'd you want with a loser like me

When the world's in your hands?

When I think of all you could be

And I'm just a fool without a plan

Is there nothing I can say?

Got to make you try and understand

What'd you want with a loser like me?

Cause I'm so confused

Look at any other man and you'll see

That I was born to lose

This ain't reality

I'm just a loser with the blues

What'd you want with a loser like me

When the world's in your hands?

When I think of all you could be

And I'm just a fool without a plan

Is there nothing I can say?

Got to make you try and understand

I'm just a loser in a band, mmm

Just a loser in a band
