CHORDS USED: (G, Am, Fm, E, C)

[Chorus:]

G Am Fm E G C C C
i used to dream (i used to dream) oh whoah
about the money and the cars and girls (and the girls)
but now i sing (now i sing) oh whoah
because im sitting on top of the world (the whole world)
and now i sing sing sing sause im sitting on top of the world
and now i sing sing sing sause im sitting on top of the world

[T.I.]

FmЕ G C Am man i remember before i say that wait let me issue this statement no way should reflection be mistaking for glorification now i remember so vivid me and my niggas was living sub-standard condition still handling business still laughing and tripping still having the bitches im rapping now reminiscing and god damn it we did it from trapping standing and pitching with rich we stand in the kitchen splitting it eight ways flipping it 8 days thought that wild and unruley was just the way to behave kept the weight and the yey for most the paper we made in all dimes i aint lieing the pleasure was all mine have big work to move but we served the small time i always outshined the niggas with small minds who would of thought we would be arguably the greatest of all time around here we developed such a sound down here but duplicate it off the steel it can only be found here only listen to gs that other shit i dont hear shit they so far in the rear how would i even care im too busy being a player staring at niggas careers but talk about it for years and now we finally here

[Chorus:]

G Am Fm E G C C C i used to dream (i used to dream) oh whoah about the money and the cars and girls (and the girls) but now i sing (now i sing) oh whoah because im sitting on top of the world (the whole world)

and now i sing sing sing cause im sitting on top of the world and now i sing sing sing cause im sitting on top of the world

[Ludacris:]

Am

C Fm G they say what goes up must come down but i aint reached my cruising altitude take a look at what i did but can you imagine what im about to do the places im bout to go and the money im bout to see gave bill gates some binoculaurs and said look out for me exceeded expectations even at def jam cause i married the streets and atlanta has been my best man my momma quit her job and now she works for six figures cause im a self-made nappy-headed rich nigga private planes help me travel in peace to four cities in one day and four countries in one week cause i work for myself and no one else cause im too smart too put one of my partners right through culinary art school now he my personal chef so that bread he get it put them all in houses cleaned up all of my friends credit and now they witness all the glitz and the glamour catch us eating at straits atlanta with women with table manners order in singapore and lobster celebrating coming from nothing to winning grammys and rappers winning oscars and they say rappers shouldnt act nahh suckers we see samuel jackson like whats up mother f**kerrr

[Chorus:]

Am Fm G C C C i used to dream (i used to dream) oh whoah about the money and the cars and girls (and the girls) but now i sing (now i sing) oh whoah because im sitting on top of the world (the whole world) and now i sing sing sing cause im sitting on top of the world and now i sing sing sing cause im sitting on top of the world

[T.I.]

G C C Am Fm Е i know them haters dont stop plotting and wish you would fall cause im standing on top looking down at it all from down there to yall it seem like I got it all homie i aint get enough im still trying to triple up so all we got is street cred and akoo building up say im doing too much shit i say i aint did enough remember saying damn if i could just get to a million plus and now im like shit what the f**k is a million bucks triple that on my bond thanks to bigs and ron but nevermind what ive been through just look at what i become all the shit ive avoided what i done for my sons and daughters and momma just call her i sold dope and dropped out of school seems its all they can see

they dont notice none of my family did that since me i broke that cycle now my family live a life of mandatory minimals but not when the judge sentence them cousins in college where you think they get tuition from just from standing around wishing huh and while you standing around looking dumb i make it happen taking action over time got damn good at it

[Chorus:]

G Am Fm E G C C C i used to dream (i used to dream) oh whoah about the money and the cars and girls (and the girls) but now i sing (now i sing) oh whoah because im sitting on top of the world (the whole world) and now i sing sing sing cause im sitting on top of the world and now i sing sing sing cause im sitting on top of the world
