[Intro]

C **Em** D x3
C C C C

[Verse 1]

C **Em** D
The sea grew old while we passed by
C **Em** D
We dragged our summer through the winter skies
C **Em** D
Photograph me in my wild
C **Em** D
A time that we romanticised

[Chorus]

C **Em** D
Sit awhile, watch the moon
C **Em** D
Sink lightly into your glow
C
With the lights up
Em D
Two bodies were afloat
C **Em** D
We were strangers wandering home

[Post-Chorus]

C **Em** D
We were strangers
C **Em** D
We were strangers
C **Em** D
We were strangers
C **Em** D
We were strangers wandering home

[Verse 2]

C **Em** D
I slept in your bed last night
C **Em** D
You took all the blankets but I don't mind
C **Em** D
Glasses drain as we lose our minds
C **Em** D
The parts that held us paralysed

[Chorus]

C Em D
Sit awhile, watch the moon
C Em D
Sink lightly into your glow
C
With the lights up
Em D
Two bodies were afloat
C Em D
We were strangers wandering home
