Its Not Time
Tiago Iorc

```
G                   Bm
Each and every heartbeat
            F                 Am7
Gives us a little more time
G                 Bm                      F    Am7
When every little thing you say is right
G                 Bm
Strain another heartbeat
F                 Am7
I know this isn t goodbye
G                 Bm             F  Am7
You and I will be again sometime
C                 Cm9
Letting you go
      G
Has never been so hard
A7                              D4
When all I want to do is hold you tight

G                 Em9    Bm
Maybe it s not time for love
C9                D
Maybe it s not right
G                      Em9
It ll be time for love
C9                       D
When everything seems right
Cm                      G    Em9
And all I ve got is real
      Am7
And all for you

G
Tonight we just
Bm
can t seem to keep
    F                Am7
Our hands off each other
G
I ll miss the way
Bm                      F  Am7
you give your lip a bite
        G
Even if now you re
                  Bm
Exactly where you wanna be
                F              Am
```

```
I m sure we ll do just fine
G                    Bm
For now I ll take a left,
          F       Am7
you take a right
C                  Cm9
Letting you go
                  G
Has never been so hard
A7
When all I want to do
          D4
is hold you tight

G                 Em9
Maybe it s not time for love
C9                D
Maybe it s not right
G         Em9
It ll be time for love
C9                       D
When everything seems right
Cm                        G    Em9
And all I ve got is real
      Am7
And all for you

( G    Bm    F    Am7 )

Just take your time
And tell me
when you are ready
```
