

Scared
Tiago Iorc

(capo 6ª casa)

C9 **G/B**
Standing outside, looking out for me
I know I ve done nothing wrong
There s plenty of time for us to see
Start cleaning up the mess we ve done
We keep on living our lives with stupidity
As if we ve got something to lose
So much selfish tranquility
Just for the sake of trying nothing new

C9
And I
G/B
Think I
Am7 **G/B** **C9** **D**
Should be the one to make a stand, because
Em **G** **A9**
Everybody is scared (4x)
G **Em** **C9** **D**

B7 **Em** **C9** **D**
Everybody is scared sometimes

C9 **G/B**
Time goes by and it seems to me
It s easy just to come and go
Well, turns out nothing comes for free
Our children live the seeds we sow
Pretend now
The fire burned out, now it s you and me
Still we ve got nothing to lose
So much selfish tranquility
Just for the sake of trying nothing new

(refrão)

B7/4 **B7**
Every time I close my eyes
Em
This pain is killing me
B7
And I try to take it down
B7
Put my feet back on the ground
Em
Just to know you re still with me
