INTRO
Dm Bb x3

Dm **C**
The marriage has gone to my head
Bb **Am**
The wedding trumpets are dead
Dm **C**
Replaced by a static noise
Bb **Am**
So loud, I can't hear my own voice
Dm **C**
Will those signs lead me out of here
Bb **Am**
Well, just take me somewhere
Dm **C**
To the plains where angels sing
Bb **Am**
Through the chime and the clattering

Dm **Bb**
For what it's worth, the truth might hurt you
Dm
There's little you can do
Bb
When shadows fall, I will desert you
Dm
Then that's what you will do

Dm **Bb**
For what it's worth the truth might hurt you
Dm
With a tear of morning dew...
Bb
My temples born anew

Dm **C**
Lead me inside
Bb
Lead me inside

Lead me inside out of the cold
