C

Look outside the window

Am F C

Baby everything will be just fine

C

In just a little moment

Am F C

The dark is gone and the sun will start to shine

G C

And all the clouds of grey, they are not yours

Am F C

So please let me see you smile again

CHORUS

Am F C

You are my only friend

C Am F C

And I want you to be happy again

C Am

I know what you've been through

G C

And I know what has to come

C Am F C

But please don't try to face it all alone

C Am F C

Cause you are my only friend

C Am F C

You are my only friend

VERSE

C

I am here beside you now

Am F C

To help you and to guide you to the light

Am

Today my darling little birds are singing

F C

and the sun is shining bright

G C

And all the clouds of grey, they are not yours

Am F C

So please let me see you smile again

Look beyond these corridors and the darkness in your soul

C Am F C

I am here to drag you up from that empty hole

C Am F C

Try to look beyond all the sad things in this world

C Am F C

There will be more wars and deaths before all flags are furled

C Am F C

But you are my only friend

C Am F C

You are my only friend

C Am F C

You are my only friend

C Am F C

You are my only friend
