Breathe In Breath Out
Tich

Verse: C#, G#, D#, Fm

Chorus: C#, Fm, G#, D#, Fm, C#, C#, Fm, G#, D#, Fm, C#

M8: A#m, C#, Fm, D#

LYRICS:

V1/

Intro: C#, G#, D#, Fm x2

C#, G#,
Woke up too late for the train,
D#, Fm
Routine always the same,
C#, G#, D#, Fm
Another day in the life like any other,
C#, G#,
I ran straight through the rain,
D#, Fm
Saw your face and I felt the flame,
C#, G#, D#, Fm
Both knew it wasn t a day like any other.

C#, G#,

D#. Fm C#, G#,
We re in a moment now,

D#. Fm
I can t believe it how.

CH/
C#. Fm
One touch and suddenly I need you.

Tough luck, won t you tell me that it ain t true,
G#
If you re gonna push me,
D#. Fm. C#
Promise you ll break my fall.

Hold me close as I breathe in, breathe out,

Breathe in, breathe out,
Fm
I m on the edge, just take me now G#. D#. Fm
And if you re gonna push me, then promise you ll break my fall.
C#
Ohhh.

V2/

Face down I hit the floor,
Nothing to hide anymore,
I ve tried but what is the use yeah I was always,
Looking from a birds eye view
Dreaming of when I d find you but I know I will never be the same.

We re in a moment now,
I can t believe it how.

CH/

One touch and suddenly I need you.
Tough luck, won t you tell me that it ain t true,
If you re gonna push me,
Promise you ll break my fall.

Hold me close as I breathe in, breathe out,
Breathe in, breathe out,
I m on the edge, just take me now
And if you re gonna push me, then promise you ll break my fall.
Ohhh.

M8/
A#m. C#
Breathe in, breathe out, like a drug I can t stop Fm
Need you here, need you now, cause you ve got my heart,

Breathe in, breathe out, D#
Baby forever free falling, free falling....

CH/

One touch and suddenly I need you.
Tough luck, won t you tell me that it ain t true,
If you re gonna push me,
Promise you ll break my fall.

Hold me close as I breathe in, breathe out,
Breathe in, breathe out,
I m on the edge, just take me now
And if you re gonna push me, then promise you ll break my fall.

Then promise you ll break my fall.

END.
