There s a girl back home I used to know,  
**G** **Am**  
who cried herself to sleep every night.  
**Am**  
we all knew.  
**Am**  
we all knew.

**C** **G**  
The only girl who would ever compromise,  
**G** **Am**  
strike a deal with the devil to save a night.  
**Am**  
we all knew.  
**Am**  
we all knew.

**C**  
She tried to call me a month ago,  
**G**  
to sing me a song that she just wrote.  
**Am**  
but I wasn t home,  
**Am** **F**  
I should ve known that time had taken it s toll.  
**Dm**  
she had no place to go,  
**Em**  
they found her body,  
**F**  
resting by the river.

**Am**

**F** **C**  
I never said goodbye.  
**Em**  
I wish I would have tried.  
**F** **C** **Em**  
I couldn t hear her cries, as she filled her veins with lies,

until she saw the light.

**C** **G**  
I remember we would hide behind the trees,  
**G** **Am**  
smoking cigarettes until our throats would bleed.  
**Am**  
Those were the days.  
**Am**  
Those were the days.

**C** **G**  
Never scared, never worried that the summer would end.  
**G** **Am**  
Invincible to every short bend.  
**Am**  
We drove so fast,  
**Am**  
thought it would last.  
**F**  
but time had taken had taken it s toll,  
**Dm**  
she had no place to go.  
**Em**  
They found her body resting by the river.

**Am**

**F** **C**  
I never said goodbye.  
**Em**  
I wish I would have tried.  
**F** **C** **Em**  
I couldn t hear her cries, as she filled her veins with lies,  
until she saw the light.
