

Another Day
Tide Lines

[Intro]

D A

[Verse 1]

A

The days we were free

D A

Hold on strongly in my mind

F#m E

They re lost to me and they have been for some time

A

In my memory

D A

I will always see your smile

F#m E

As we walked hand in hand those country miles

[Pre-Chorus]

A

And when you move like that

D

It s Almost

A E

Like you re dancing all on your own

F#m E D

And there s no one else around you

E

You re alone

[Chorus]

D A

And we would dance all night in the rain

E F#m

From the mountain side to the sea

D A

And we would run out of sight in a room full of light

E D

In the days of the young and the free

[Verse 1]

A

When the only street lights

D A

In the dark nights were the stars

F#m E

And the village hall danced to the pipes and the guitars

A

Girls with paint and powder

D **A**
Couldn't be prouder of their style
F#m **E**
And their lipstick served to hide their drunken smiles

[Pre-Chorus]

A
And when you move like that
D
It's almost
A **E**
Like you're dancing all on your own
F#m **E** **D**
And there's no one else around you
E
You're alone

[Chorus]

D **A**
And we would dance all night in the rain
E **F#m**
From the mountain side to the sea
D **A**
And we would run out of sight in a room full of light
E **D**
In the days of the young and the free

[Verse 3]

A
Living in this city
D **A**
Rife with pity and regret
F#m **E**
And I stand on this road like a man who's lost his way
A
There's a land of plenty
D **A**
Past this barren emptiness outside
F#m **E**
But it's lost as dreams for another day

[Pre-Chorus]

A
And when you move like that
D
It's almost
A **E**
Like you're dancing all on your own
F#m **E** **D**
And there's no one else around you
E
You're alone
