[Verse 1]

**G** **C** **G/B**  
My mind is heavy so I ll pour myself a drink  
**C** **G** **Bm** **G** **D** **C**  
Of just whatever s going to help stop make me think about the world  
**G** **D** **G**  
So one more measure and I ll tell you all I know  
**C** **G** **D** **C**  
About life s pleasures when you re high and when you re low  
**D**  
And then I ll go.

[Chorus]

**G** **Em** **Bm**  
And we ll raise a toast tonight  
**C** **G**  
To the dreams we never lost tonight  
**Am** **Em**  
In your eyes I see the morning  
**C** **Dsus2**  
As it burns across the sky  
**D** **G**  
Burns across the sky

[Verse 2]

**G** **C** **G/B**  
In fair Verona where the lovers laid their plans  
**C** **G**  
People pray in Church on Sundays for  
**Bm** **Em** **D** **C**  
moments like the day you took my hand  
**G** **D** **Em**  
Long afternoons we walked along the castle wall  
**C** **G** **Bm** **Em** **D**  
And the band played louder as we kissed behind the hall  
**D** **C**  
All through the night.

[Chorus]

**G** **Em** **Bm**  
And we ll raise a toast tonight

**C** **G**  
To the dreams we never lost tonight

**Am** **Em**  
In your eyes I see the morning

**C** **Dsus2**  
As it burns across the sky

**G** **Em** **Bm**  
And we ll raise a toast tonight

**C** **G**  
To the dreams we never lost tonight

**Am** **Em**  
In your eyes I see the morning

**C** **Dsus4**  
As it burns across the sky

**D** **G**  
Burns across the sky

**C** **Bm**  
Sometimes my eyes deceive me as the  
**Em** **C** **G** **G Am**  
Buds of youth bloom sweetly from your smile

**G** **C** **Bm**  
So close the curtain over,

**Em** **C** **G**  
lay your head upon my shoulder for a while

**D** **G**  
And we ll talk about the times

[Chorus]

**G** **Em** **Bm**  
And we ll raise a toast tonight

**C** **G**  
To the dreams we never lost tonight

**Am** **Em**  
In your eyes I see the morning

**C** **Dsus2**  
As it burns across the sky

**G** **Em** **Bm**  
And we ll raise a toast tonight

**C** **G**  
To the dreams we never lost tonight

**Am** **Em**  
In your eyes I see the morning

**C** **Dsus4**  
As it burns across the sky

**D** **G**
