Put capo anywhere you want!

[Intro] **Bbm,F#,C#,G#**

[Verse]

```
Bbm               F#                       C#        G#
There are three words, that I ve been dying to say to you
Bbm             F#        C#        G#
Burns in my heart, like a fire that ain t goin  out
Bbm               F#        C#        G#           F#
There are three words, & I want you to know they are true...
    C#          G#
I need to let you know
```

[Chorus]

```
C#                    G#
I wanna say I love you, I wanna hold you tight
Bbm                       F#
I want your arms around me & I, want your lips on mine
C#                    G#
I wanna say I love you, but, babe I m terrified
Bbm                             F#
My hands are shaking, my heart is raising
                          G#                          Bbm
Cause it s something I can t hide, it s something I can t deny
          G#
So here I go...

Baby I lo-o-o-ve you...... Bbm F# C# G#
```

[Verse]

```
Bbm           F#                   C#        G#
I ve never said, these words to anyone, anyone at all
Bbm             F#                   C#        G#
Never got this close, cause I was always afraid I would falll
Bbm           F#          C#        G#        F#
But now i know, that I ll fall right into your arms...
C#              G#
Don t ever let me go
```

[Chorus]

```
C#                           G#
I wanna say I love you, I wanna hold you tight
Bbm                                F#
I want your arms around me & I, want your lips on mine
C#                           G#
I wanna say I love you, but, babe I m terrified
Bbm                                    F#
My hands are shaking, my heart is raisin
                              G#                        Bbm
Cause it s something I can t hide, it s something I can t deny
         G#
So here I go...

Baby I lo-o-o-ve you
```

[Bridge]

```
Bbm              F#
Take it in, breathe the air
C#                         G#
What is there to really fear?
Bbm                        F#
I can t contain, what my heart s sayin
      G#
I gotta say it out loud...
```

[Chorus]

```
C#                               G#
I wanna say I love you, I wanna hold you tight
Bbm                          F#
I want your arms around me & I, want your lips on mine
C#                           G#
I wanna say I love you, but, babe I m terrified
Bbm                                    F#
My hands are shaking, my heart is raisin
                              G#                        Bbm
Cause it s something I can t hide, it s something I can t deny
           G#
So here I go...
                        C#
Baby I lo-o-o-o-ve you
```

Hope it helps!! @SeanPunzalan
