Oh oh oh woohoo ooo ooo
Oh oh oh woohoo ooo ooo
Don t run, just walk
Oh dang he s hot!
Here we go, one more time,
Oh dang he s fine!

(STRUM EACH CHORD ONCE)

My heart is beating
And pounding for you
My heart is melting
And I m falling for you
My heart is complete
Ever since we did meet
My heart is, my heart is
My heart is wooo ooo ooo
Yeah-eah, oo oo ooo
I tried to stand
Although my knees are weak
I tried to talk
Although I cannot speak
One word at all
Cause I cannot think
When he s around
I feel so vain
That it can t be real
Catch me, because
I m head over heels
Someone wake me
If this is a dream
Cause if it s not, it can only
Mean one thi-ing-ing-ing-ing!

(STUM EACH CHORD ONCE)

My heart is beating
And pounding for you
My heart is melting
And I m falling for you
My heart is complete
Ever since we did meet

My heart is, my heart is
My heart is wooo ooo ooo
Yeah-eah, oo oo ooo

What s your name and
Can I have you number?
You re so fine,
You re the highlight of my summer
I hate goodbyes
Let s say hello again
I ll be waiting for you-ou
Don t run, just walk
Right on to my arms
Oh dang, he s hot
So baby, take my heart
It s yours to keep,
Just tell me what to do!
Cause baby, baby
I m falling, falling for you
Ohh ohh ohh, oo ooo oo oo ooo
Ohh ohh ohh, oo ooo oo oo ooo
Boy you captured, all of me
You made it hard for me to breathe
You re all that I need, baby I m intrigued
It can only mean one thi-ing-ing-ing-ing!

(STRUM EACH CHORD ONCE)

My heart is beating
And pounding for you
My heart is melting
And I m falling for you
My heart is complete
Ever since we did meet
My heart is, my heart is
My heart is wooo ooo ooo
Yeah-eah, oo oo ooo

Don t run, just walk
Oh dang he s hot!
Here we go, one more time,
Oh dang he s fine!
Ohh ohh ohh, oo ooo oo oo ooo
Ohh ohh ohh, oo ooo oo oo ooo
Oh oh oh woohoo ooo ooo
