**D** **Bm**  
I look at you, you look at me  
**G** **A**  
I look away, so you can't see  
**D**  
I'm dreamin' of you  
**Bm** **G** **A**  
And you don't even know, you don't even know

**D** **Bm**  
That I'm fallin' madly in love  
**G** **A**  
With you, with you  
**D** **Bm**  
And I wish that you were going  
**G** **A**  
Crazy for me too...

**D** **Bm**  
You show some signs, but I'm not sure  
**G** **A**  
It's a secret love, and you're the cure  
**D**  
I just need to know  
**Bm** **G** **A**  
What you think about me, about me

**D** **Bm**  
Cause I'm fallin' madly in love  
**G** **A**  
With you, with you  
**D** **Bm** **G** **A**  
And I wish that you were going crazy for me too

**Bm** **G**  
Don't you think that maybe you and me  
**D** **A**  
Could be a possibility  
**Bm** **G** **D** **A**  
I just wish that baby you could see, you could see  
**Bm** **G** **D** **A**  
That you, and me, could be, a possibility  
**G** **D** **A**

You and me, we could be, only if you'd see

**D** **Bm**  
That I'm fallin' madly in love

**G** **A**  
With you, with you

**D** **Bm** **G** **A**  
And I wish that you were going crazy for me too

**D** **Bm**  
I look at you, you look at me

**G** **A**  
I look away, so you can't see

**D**  
I'm dreamin' of you

**Bm** **G** **A**  
And you don't even know, you don't even know
