

Shake It Off
Tiffany Alvord

No Capo

Intro: **Em**

Em **Am**
Why are guys so blind and why are they oblivious

Em **Am**
They could be so rude and it could be ridiculous

F
You try to do one thing and they laugh and make fun of you

D
You try to be yourself and they hate all the things you... do

Em **Am**
They don't know the truth, they twist up all the facts

Em **Am**
Start another rumor, everyone reacts

F
They don't know the other side, they just assume

D
And everything is fine til you walk in the room.

Em
One, two, three and four

C
I can't take this anymore

G
Five, six, seven, eight

D
I just need a sweet escape

D
I just need a sweet escape

Em

Shake it off yeah its just whatever

C

They say these lies just to get together

G

D

They will tell you that its now or never

Oh, oh, oh, oh

Em

Shake it off yeah its just whatever

C

They say these lies just to get together

G

D

They will tell you that its now or never

Em

So shake it off, its just whatever

Em

Am

I look them in the eyes, but I cant see any trust

Em

Am

I try to talk to them, but they dont take me serious

F

I just want a guy who says what he means

D

But maybe that happens only in dreams

Em

Am

Outta control and they are so curious

Em

Am

Messing with my mind til I am delirious

F

When theyre with their friends they are jerks

D

They try to impress both, but it never works

Em

One, two, three and four

C

I can't take this anymore

G

Five, six, seven, eight

D

I just need a sweet escape

D

I just need a sweet escape

Em

Shake it off yeah it's just whatever

C

They say these lies just to get together

G

D

They will tell you that it's now or never

Oh, oh, oh, oh

Em

Shake it off yeah it's just whatever

C

They say these lies just to get together

G

D

They will tell you that it's now or never

Em

So shake it off, it's just whatever

Em

And they think that they know

Am

C

Who I am, but they don't

G

D

So I'll just ignore it all

Em

But they think that they do

C

But you know that ain't true

G **D**

So I ain't holdin' on

Em (1 strum)

One, two, three and four

C (1 strum)

I can't take this anymore

G (1 strum)

Five, six, seven, eight

D

I just need a sweet escape

D

I just need a sweet escape

Em

Shake it off yeah it's just whatever

C

They say these lies just to get together

G

D

They will tell you that it's now or never

Oh, oh, oh, oh

Em

Shake it off yeah it's just whatever

C

They say these lies just to get together

G

D

They will tell you that it's now or never

Em

So shake it off, it's just whatever
