Laid A Highway Tift Merritt

Intro: G D C

Verse 1:

G

This was a town took care of it s own

D

That s what me and my children have known

С

I worked the mill the way my parents did

G

I remember this town when I was a kid

Bm

Sitting through the movies twice

С

Open windows late at night

G

Slipping out in the summer heat

D

To meet John Miller in the middle of the street

Refrão -----С They laid a highway a few years back

G

Next town over by the railroad track

D

Some nights, I m glad it passed us by

С

G D C Some nights, I sit and watch my hometown die _____

Verse 2: G I m fifty-five and when the mill burned down D I wasn t much past a pretty young gal С Boss lit a match in the oily night G Cops never had enough to set it right Βm So while the company traded with our lives С We were busy watching that slow moon rise G Dancing on the high grass ridge D Making love down by the Cedar County Bridge Repeat Chorus Instrumental: G D C G D C-Verse 3: G They never came to tear that old place down D They roped it off, but you can walk around С See the rust on the painted doors G Watch the rain fall through the burned out floors Βm This was a town took care of it s own C This was a town doing fine all alone

G

The mill got out a quarter to five

D You could eat supper with any family you liked

Repeat Chorus

Outro: G D C G D C G
