

Little Birds
Tift Merritt

This is a guess by ear. I m absolutely NOT sure this is right, but I coulnd t find any
tab on the net. Also, most of the lyrics are absolutely wrong, but I couldn t find the
lyrics either and I m not a native anglophone, so I hope you ll forgive me for that. The lyrics I put are just to give an idea.
Instead of the G6 you can paly a simple G as well, both sound acceptable.
If you are a beginner, you may want to transpose it in G (+5 or -7, it s the same) to
eliminate the barrÃ©s, and maybe put a capo on 7th fret.

Slightly unusual chords:

A6: x02222 (the easiest way to play it is using a semi-barrÃ©)

G6: 320000

Intro:

Bm **A6**
Bm **A6**

Bm **A6**
Little birds, little birds
G **D**
waking on a saturday
 A **G**
or something break and run away
G **D** **A**
catch you, wake you up and make you bleed
G6
free

Bm **A6**
Little birds, little birds,
 G **D** **A** **G**
No one can tell you where the line of trouble hides itself.
G **D** **A**
You find it how you can, sometimes too
G6
late.

Bm **A6**
little birds, little birds
 Bm **A6**
G **D**
find me, it s happening
E **G**
something is happening

G **D**
all you have been waiting for
E **G6**
this is the day

Bm **A6**
little birds, little birds
G **D**
call out to one and love you
A **G**
everybody have
G **D**
no one hears you break
A **G**
the surface of the water
no one hears you break
the surface of the water
you hardly break
the surface of the water

Bm **A6**
little birds, little birds
Bm **A6**
little birds.
