MORNING IS MY DESTINATION " TIFT MERRITT

G **Bm** **C** **Am**
With the city closed for eve-ning
G **Bm** **C**
and the streets dressed up in rain,
 G **F#** **Bm** **D7**
My sweet man, do you have some place to get to?

D **C** **G** **D** **C** **G**
Morning is my destination. See me through.
Morning is my destination. See me through.

Night's not always free and easy,
the way it is in my mind.
If I should find I need some help from you,

CHORUS

Em **G** **Bm** **Am** **D**
Daybreak's broken light is as far away as I feel tonight,
Em **G** **D**
But I can go it if I can show it to you.

CHORUS
