

Shadow In The Way  
Tift Merritt

INTRO: A G D A G D

VERSE I

D

Before a word is spoken, everything is broken, even what you hid inside

A

D

The world has let you down, wrung shame out of your pride

D

But even as you falter, like sunlight on the water, you shine on my face

A

D

The darkness in your heart, it s just a shadow in the way

Refrão -----

A G D

Oh, just a shadow in the way

A G D

Oh, oh, it s just a shadow in the way

-----

VERSE II

D

When the fire leaves you, when no one believes you, when you give yourself away

A

D

To a stranger on the road, who gives you nothing in exchange

D

Even when the door shuts, even though the night cuts, like a silver blade

A

D

In the morning you will find, it s just a shadow in the way

CHORUS (repeat)

BRIDGE

G D A G

Though we re caught in the darkness, don t be afraid

G D A G

Though we re caught in the darkness, don t be afraid

D G

D G

This world of sorrow, it s just a shadow

D G

D G

A

This world of sorrow, it s just a shadow, it s just a shadow

VERSE III

D

Got to get up again, and let the light in, throw your tears away

A

D

That mountain looks so high, it s just a shadow in the way

CHORUS (repeat & fade)
