

Sorrow Haunts
Tigapagi

Notes: if using standards tuning transpose +5

[Intro]

D A D A D

[Verse]

A

Everything just shades apart

D

But itâ€™s just the same for me

A

When everyone closes their eyes

D

But there is nothing changes in me

[Bridge I]

Bm

G

Everything just shades apart

D

And now it changes in me

[Verse II]

A

I swallow the seeds of arrogance

D

I feels like a diamond with no shine

A

My boat is sinking in the dark

D

But my soul was sailing to the sun

A

Everything just shades apart

D

Yet there is nothing changed in me

A

Why I sing this song for you

D

Because death will do us apart

[Bridge II]

Bm

G

You shouldnâ€™t say good riddance to me

D

Coz you will fly too

[Chorus]

D

Are you listening to the sound, itâ€™s like a hole in the sun

Bm

Are you digging on the ground, just to break the bound?

G

Are you listening to the sound, itâ€™s like a hole in the sun

A

Are you digging on the ground, just to break the bound?

D

Sorrow haunts

Bm

Sorrow haunts

[Chorus]

D

Are you listening to the sound, itâ€™s like a hole in the sun

Bm

Are you digging on the ground, just to break the bound?

G

Are you listening to the sound, itâ€™s like a hole in the sun

A

Are you digging on the ground, just to break the bound?
