Sorrow Haunts Tigapagi Notes: if using standards tuning transpose +5 [Intro] DADAD [Verse] Α Everything just shades apart D But it's just the same for me Δ When everyone closes their eyes D But there is nothing changes in me [Bridge I] G Bm Everything just shades apart And now it changes in me [Verse II] Α I swallow the seeds of arrogance D I feels like a diamond with no shine Α My boat is sinking in the dark D But my soul was sailing to the sun А Everything just shades apart D Yet there is nothing changed in me Α Why I sing this song for you D Because death will do us apart

[Bridge II] Bm G You shouldn't say good riddance to me D Coz you will fly too

[Chorus] D Are you listening to the sound, it's like a hole in the sun BmAre you digging on the ground, just to break the bound? G Are you listening to the sound, it's like a hole in the sun Α Are you digging on the ground, just to break the bound? D Sorrow haunts Bm Sorrow haunts [Chorus] D Are you listening to the sound, ${\tt it} \hat{a} {\in} {\tt ^{\sf m} s}$ like a hole in the sun Bm Are you digging on the ground, just to break the bound? G Are you listening to the sound, ${\tt it} \hat{a} {\in} {\tt \sc s}$ like a hole in the sun Α Are you digging on the ground, just to break the bound?
