**Dmaj7 Bm F#m**  
You taught me well, but it s unnecessary  
**Dmaj7 Bm F#m**  
You carved me well, but it s just misery  
**Dmaj7 Bm**  
Humanity, oh humanity

[Verse 2]

**Dmaj7 Bm**  
I m a living being and you are living being  
**F#m Dmaj7**  
There s a curse and grace for this spinal cord  
**Dmaj7 Bm**  
Maybe I could sing while you don t think  
**F#m Dmaj7**  
So this question should be in my final chord

[Chorus]

**Dmaj7 Bm**  
Let me ask you, why do we need love anyway  
**C#m Dmaj7**  
If in the end it was all about feeding, breeding, and protecting?  
**Dmaj7 Bm**  
Why do we need love anyway  
**C#m Dmaj7**  
If in the end it was all about feeding, breeding, and protecting?
