**D A**  
When the slumber of forever called me home.  
**E B**  
I will not be gone, you will never be alone.  
**D A**  
My words will come to you through time and space.  
**E B**  
You ll know where to find my and i ll be there.

**A C A# D** (I ll be there) x2

**D A**  
Listen to the winds at night.  
**E B**  
You will hear me call your name.  
**D A**  
I once felt so alone but now i m home.  
**E B**  
And i know there is something... beyond.

**A C A# D** x2

**D A**  
The words i speak today shall outlive me.  
**E B**  
I call on forces that send chills down your spine.  
**D A**  
For i long to drink of immortality.  
**E B**  
Of this nighttime starts, they speak to me.  
**D A**  
For we all shall someday part the veil.  
**E B**

And cross through to the other side.

**D B**

In one way or another i shall live on and never die.

**D B**

In death as in life. I will arise.

[Let ring]

All Hail Darkness !

**Em F# Em**

**C#**

In her majestic glory.

**D**

She was always my true love.

**B**

I never quite belonged here.

**Em**

Though i ve fallen so far from grace.

**D**

Please will you keep me in your memory.

**A**

And a little place for you in my hearts.

**B**

Eternal soul ! Never dies !
