Pretty simple song, I figured I d put up the chords since they re pretty simple.
I included the solo too at the bottom.

Tuning: Standard

C - x-3-5-5-x-x-|
G/C - x-3-5-4-x-x-|
F - 1-3-3-2-1-1-|
Am - x-0-2-2-1-0-|

[Intro]

C G/C x2

[Verse]

C **G/C**
We are made from chemicals
C **G/C**
But what holds us together is much more than that
F **Am** **F** **Am**
You are strong, so much stronger than me all along
F
because you are everything and I am nothing

[Verse]

C **G/C**
We spend our summers writing songs
C **G/C**
Of how we never make it on our own but here we are
F **Am** **F** **Am**
And I surrender I m running thin, you were right
F
because you are everything and I am nothing

GUITAR SOLO:

C G/C
C G/C
C G/C

[Verse]

C G/C
We are made from chemicals
F Am F Am
You are strong, so much stronger than me, all along
F
because you are everything and I am nothing

End on Am
