MEALS ON WHEELS - Tigers Jaw

Tabbed by: Mean Mr Mustard
Email: Gotchristo@comcast.net

Tuning: Standard

Okay this song was kinda hard because it s hard to tell exactly what each guitar is doing here. However, it all revolves around that D to Bm chord progression that they use a lot. At the bottom Ive put the tab of what I think they play there (its what I do and it sounds fine).

CHORDS: (easy)

D - x-x-0-2-3-2-|
Bm - x-2-4-4-3-2-|
A - x-0-2-2-2-0-|
G - 3-2-0-0-3-3-|

*Or use barre chords, whatever
