Getting even smaller every day

Verse

The trash washes up to shore
Even in this landlocked place
The shit gets thicker
Itâ€™s toxic. Get it out my face

The trash washes up to shore
Even in this landlocked place
The shit gets thicker
Itâ€™s toxic. Get it out my face

Bridge

And donâ€™t be surprised
If they donâ€™t buy your lies
Some of us can see through
Your stained glass eyes

Chorus

Am

Pot kettle, pot kettle black

G

F

Talk that, talk that smack

Am

Pot kettle, pot kettle black

G

F

Watch your, watch your back

Verse

Oh my god
Did you hear
About that bitch
And what she did?
I donâ€™t believe it
Aw, aw
What a ho
What a tramp

What a slut
