

Reckless

Tilly and the Wall

This is my first tab, so please rate!

I think all of this is correct, if not, please make suggestions!

If you didn't learn your basic chords then shame on you!

=OPEN=

=VERSE=

Oh reckless, a boy wonder, so quiet, nose broken
Oh, you re standing there, look tired as your singing
And you re on fire, they re throwing punches

=VERSE=

So backwards the landscape you thought you knew, it starts unwinding
Now you re jumping through their hoops
You re just trying to dodge all their questions
They re shooting bullets

=CHORUS=

Cause we all want to hear but you can t, you can t
And we all want to see but you don t, you don t
You are amazing

=VERSE=

Oh the horses, suits and ties, they will not hesitate to trample
You keep moving, stop moving, it s the same
You know if it is broken they ll try to fix it

=VERSE=

It s a shame that, did they get you? they got you
Yeah they might have
You keep covering their mouths, they keep on talking
The parade it is coming, I hear them marching

=CHORUS=

Case we all want to hear but you can t, you can t
And we all want to see but you don t, you don t
You are amazing

=CHORUS=

Yeah we all think we re right but we re wrong, we re wrong
And we all want to talk and we do, we do
They have convinced you

=VERSE 2=

It s so shocking, shocking, shocking, shocking, shocking
so shocking, shocking, shocking, shocking, shocking
You cheated your fate now, we can t read your face
You are gone

=BREAK= (x2)

=CHORUS= (x2)

Yeah we all think we re right but we re wrong, we re wrong
And we all want to talk and we do, we do
They have convinced you
