

**I Can Wait**  
**Tim and Eric**

**D**  
I know she won't mind me watching her

**C** **D**  
Three hundred feet is what the judge said

**D**  
It ain't a crime to have binoculars

**C** **D**  
Peep through the window and watch her in bed

**G** **D**  
As long as I can masturbate

**C** **G**  
In my car

**C** **D**  
I can wait

**D**  
I'll break in through her backdoor

**C** **D**  
Put on a mask to set the mood

**D**  
Then she'll know that I'm the man for her

**C** **D**  
She'll never go back to that other dude

**G** **D**  
No, they can t call it rape

**C** **G**

If she concedes

**C** **D**

Her body to me
