Verse:

Am

I see guilt in your eyes,

C

but there are some things from me you cant hide

G

Am

Truth is hard, Guilt is easy

Am

Nothing s changed since you left

C

just an extra room and higher rent

G

Am

come on in I wished you d not come here

Prechorus:

Whooa

G

Am

I moved your couch with calloused hands

C

Am

and your bed in a borrowed van

G

but that don t mean

G

A thing

F Gi
 I change the path I walk now every morning
C **Am**
 to avoid you being near
F Gi
 I cut out the chatter of friends of friends of friends
Am
 in case I hear

F Gi
 about the old you and the new you and what you
C **Am**
 do when and where
F Gi **Am**
 you make me feel unbalanced, like deadweight is that clear?

Repeat same for rest of song.

Verse: **Am-C-G-Am**

Pre Chorus: **G-Am-C-Am-G**

Chorus: **F-Gi-C-Am-F-Gi-Am**

How the fuck am I supposed to memorize every line that you write
 and every change in your life and every simple expression
 do you like me.... (inaudible)

its all you, and in the sun its all about you
 now youre here and im through
 and you dont even know it
 whooa

Ill talk at you without end
 but I know you wouldnt listen
 cause you never did before

I change the path I walk now every morning
 to avoid you being near
 I cut out the chatter of friends of friends of friends
 in case I hear

about the old you and the new you and when you do when and where
 you make me feel unbalanced, like deadweight is that clear?
