

**Shoulda Oughta**  
**Tim Barry**

The Whole song is  
**G G7 C D**

**G** Well, itâ€™s hot as two Julys and Iâ€™m cold as ten Decembers  
**G7**  
**C** What Iâ€™m doing here, man, I canâ€™t remember  
**D**  
Donâ€™t you know?

**G**  
Lordy, Lordy, Lordy, donâ€™t you know?

First time I ran away I was about ten  
It solved nothing, Iâ€™ve been running since then  
Donâ€™t you know?  
Lordy, Lordy, Lordy, donâ€™t you know?

Well, I asked her to marry and she said â€œNo!â€  
I lived happily ever after, donâ€™t you know?  
Donâ€™t you know?  
Lordy, Lordy, Lordy, donâ€™t you know?

Now the only place to drink in this town is the bar at the hotel  
And if you ainâ€™t from around here theyâ€™ll tell you go straight to hell  
Donâ€™t you know?  
Lordy, Lordy, Lordy, donâ€™t you know?

Now itâ€™s hot as two Julys and Iâ€™m cold as ten Decembers  
What Iâ€™m doing here, man, I canâ€™t remember  
Donâ€™t you know?  
Lordy, Lordy, Lordy, donâ€™t you know?  
Lordy, Lordy, Lordy, donâ€™t you know?
