

Walk 500 Miles

Tim Barry

First tab ever. watched the youtube video of him playing by the water. so the chords and the capo position are 100% accurate. not so sure about the intro but its not hard to pick up.

Capo 3rd fret

[Chords]

**G C Em D**

[Verse 1]

**G**

Go on walk 500 miles

**C**

Go on walk 500 miles

**G**

And as you take steps think back on what you did

**G**

All high on lust and denial

[Verse 2]

**G**

I m tired of being this tired

**C**

I m tired of being this tired

**G**

Gone from growth to resent a fool without hope

**G**

But I won t be here when you get home

[Verse 3]

**G**

Yeah this house will be as empty as holes

**C**

Yeah the house will be as empty as holes

**G**

The sun may hit on the porch and the deck

**G**

But inside will be dark and be cold

[Chorus]

**Em** **C**

Lord I get so lonely

**G** **D**

Like you wouldn't believe

**Em** **C** **G** **D** **G**

But I'm lonelier here now with you next to me

[Verse 4]

**G**

Ain't but ten numbers on a phone

**C**

But I ain't talking no more

**G**

You're all right and I'm wrong you're above and I'm below

**G**

But I won't be here when you get home

[Verse 5]

**G**

Say how's it going out there on your own girl

**C**

How's it going out there on your own

**G**

Now that you can't get back in and what you want you can't get

**G**

Say how's it going out there on your own girl

[Chorus]

**Em** **C**

Lord I get so lonely

**G** **D**

Like you wouldn't believe

**Em** **C** **G** **D** **G**

But I m lonelier here now with you next to me

**Em**                    **C**

Lord I get so lonely

**G**                                    **D**

Like you wouldn t believe

**Em**            **C**                    **G**                    **D**                    **G**

But I m lonelier here now with you next to me

**Em**    **C**                    **G**                    **D**                    **G**

I m lonelier here now with you next to me
