

Temple Of Stone
Tim Be Told

These chords were created off of the live version of this currently unrecorded song.

When the song is actually studio-recorded and released, these may no longer be accurate.

Verse 1:

C **G**
Brick by brick with stilts and sticks
Am **C**
you build your empire walls
Am **G**
Trick by trick you punch and kick
Am **C**
until the other falls

C **G**
You primp and press expensive dress
Am **C**
as if God Himself would be impressed
Am **G** **C**
that you look your very best

Chorus:

C/G **G** **Am** **C**
So raise up your kingdoms and thrones
Am **G** **C**
turn the broken and the weak away
C/G **G** **Am** **C**
God is not in a temple of stone
Am **G** **C**
He is the outcast of these walls you ve made

Verse 2:

C **G**
Lip to lip you lie and quip
Am **C**
to bring your brother down
Am **G**
you tear and strip and crack your whip
Am **C**
to twist a thorny crown

C **G**
Too proud to share or ever carry
Am **C**

burdens you refuse to bear

Am G C

While you stand afar and stare

Chorus:

C/G G Am C

So raise up your kingdoms and walls

Am G C

turn the broken and the weak away

C/G G Am C

God is not in a temple of stone

Am G C

He is the outcast of these walls you ve made

Bridge:

Am C

So you will be like Jericho

G C

I will sing with a mighty roar

Am G C

Till the walls come down

Final Chorus:

C/G G Am C

There is a kingdom that loves

Am G C

Where the weak are never turned away

C/G G Am C

God is not in a temple of stone

Am G C

He is with the people who cry out His name!
