Temple Of Stone Tim Be Told

These chords were created off of the live version of this currently unrecorded song.

When the song is actually studio-recorded and released, these may no longer be accurate.

Verse 1:

7.

Brick by brick with stilts and sticks

m

you build your empire walls

Am (

Trick by trick you punch and kick

Am C

untl the other falls

C

You primp and press expensive dress

Am C

as if God Himself would be impressed

Am G C

that you look your very best

Chorus:

C/G G Am C

So raise up your kingdoms and thrones

Am G C

turn the broken and the weak away

C/G G Am C

God is not in a temple of stone

Am G C

He is the outcast of these walls you ve made

Verse 2:

C G

Lip to lip you lie and quip

Am (

to bring your brother down

Am (

you tear and strip and crack your whip

Am C

to twist a thorny crown

2

Too proud to share or ever carry

Am C

G C Am While you stand afar and stare Chorus: C/G G Am So raise up your kingdoms and walls G C turn the broken and the weak away C/G G Am C God is not in a temple of stone Am He is the outcast of these walls you ve made Bridge: Αm So you will be like Jericho I will sing with a mighty roar Am G C Till the walls come down Final Chorus: C/G G Am There is a kingdom that loves Where the weak are never turned away C/G G Am God is not in a temple of stone Am He is with the people who cry out His name!

burdens you refuse to bear
