Dolphins
Tim Buckley

Song: Dolphins
(This file is the author s own work and represents their interpretation of the
song. You may only use this file for private study, scholarship, or research)

```
D              /D7          /Em         /A
Sometimes I think about Saturday s child
D            /D7          /Em            /A
And all about the times when we were running wild
Em                                 /A              /D  /D7
I ve been for searching for the dolphins in the sea
Em                   /A               /D              /D7
Ah, but sometimes I wonder, do you ever think of me

D                            /D7          /Em         /A
I m not the one to tell this old world how to get along
D             /D7                        /Em               /A
I only know that peace will come after all the hate is gone
Em                                 /A              /D  /D7
I ve been for searching for the dolphins in the sea
Em                   /A               /D              /D7
Ah, but sometimes I wonder, do you ever think of me

D                 /D7              /Em        /A
This old world will never change the way it s been
D             /D7          /Em              /A
And all your ways of war Can t change it back again
Em                                 /A              /D  /D7
I ve been out searchin  for the dolphin in the sea
Em                   /A               /D              /D7
Ah, but sometimes I wonder, do you ever think of me
```

[Repeat 1st Verse]

```
D                     /D7
This old world will never change
D                     /D7
This old world will never change
```
