G#
I got a long lost lover, got a reason to die

I ve got ten thousand troubles, a million woes
Got grief in my soul nobody knows

I ve got sorrow
I m in a storm that ll spare no travelin man
I fear tomorrow
Got a love that died long before it began

I got ten thousand troubles, a million woes
Got grief in my soul nobody knows

(instrumental verse)

I ve got ten thousand troubles, a million woes
Got grief in my soul nobody knows

I ve got a cold chain
I got rain fallin on my head from up above
I ve got a bad pain
I got a gal don t know the meaning of love

I got ten thousand troubles, a million woes

Got grief in my soul nobody knows

I ve got heartache
I got stingin water fallin out of the sky
I ve got heartbreak
I got a long lost lover, got a reason to die

I ve got ten thousand troubles, a million woes
Got grief in my soul nobody knows

(C# to end)

That s just what the rhythm guitar is playing.
There are more little riffs and things going on.
It also sounds good if you play all 7th chords.
