Tim Buckley - Blue Afternoon  
Happy Time

**E Ema j7**  
Ah, it s a happy time inside my mind  
**E Ema j7**  
When a melody does find a rhyme  
**E Ema j7 Dma j7**  
Says to me I m comin home to stay  
**E Ema j7**  
Oh, Lord, home to stay  
**E Dma j7 E Ema j7 E**  
I m comin home to stay home to stay

**E Ema j7**  
Ah, lord, it s just the same old story  
**E Ema j7**  
Something about love for glory  
**E Ema j7 Dma j7**  
A nickel and a dime a dozen fame  
**E Ema j7**  
Ah, it s such a shame  
**E Dma j7**  
Ah, the way they use your name  
**E Ema j7**  
Ah, you know it s such a shame

**E Ema j7**  
When it s only mine to sing a song  
**E Ema j7 E**  
Hoping that you d cross along my way  
**Ema j7 Dma j7**  
Before I have to move along  
**E Ema j7**  
Ah, now move along  
**E Dma j7 E**  
Ah, but I ll be back again Ooh back again

**E Ema j7**  
Lord, it s a happy time inside my mind  
**E Ema j7**  
When a melody does find a rhyme  
**E Ema j7 Dma j7**  
Says to me I m comin home to stay  
**E Ema j7**  
Oh, Lord, home to stay

**E**                      **Dmaj7**                      **E**  
I m comin home to stay Home to stay

**Ema j7**
