I ll search until I know I ve found her

**G**                            **C**            **Bb**  
One green day she left her wings  
**F**                            **G**            **F**  
And cut away her childhood strings  
**C**                            **Bb**            **C**  
But dropping smiles along the trail

She left a trace I will not fail

When I catch my sudden maid  
I ll deck her out in lace and jade  
I will take her to her room

I will take her to her room  
                          **G**                            **Eb**  
I love her upstairs  
          **G**                            **F**  
I love her downstairs  
**Eb**            **Eb/E**            **Eb/D**            **F**  
But I love my lady s chamber
