And only loved you for now
Would you hide my fears and never say
tomorrow I must go

Everywhere there s rain my love
D E F#m F#m
Everywhere there s fear

If you tell me a lie I ll cry for you
Tell me of sin and I ll laugh
If you tell me of all the pain you ve had
I ll never smile again

I can plainly see that our parts have changed
Our sands are shifted around
Need I beg to you for one more day
to find our lonely love

Everywhere there s fear
