Sing a Song for You
(Buckley)

TIM BUCKLEY
From Happy Sad, 1968

```
     G#      Cm
In my heart is where I long for you
C#             G#
In my smile I search for you
(G#)          Cm                C#
Each time you turn and run away I cry inside
G#                      F#                  F
My silly way, just too young to know any more

     G#              Cm
In my world the devil dances and dares
C#              G
To leave my soul just anywhere
(G#)        Cm
Until I find peace in this world
C#                    G#
I ll sing a song everywhere I can
      F#                   F
Just too young to know any more

   Bb    C#        G#
The wind covers me cold
Bb        C#        G#
The starry skies all around my eyes
Bb   C#      G#
Far behind the city moans
A         C#           G#
Well worthy of the people there
      F#                   F
Oh, the psalms they love to hear

G#         Cm
So let me sing a song for you
C#                  G#
Just to help your day along
```

```
(G#)    Cm
Let me sing a song for you
C#                    G#
One I ve known so very long
    F#                        F
Oh, please could you find the time
```
