But it won t let go

It happens every time

A7 A7sus/F#

I give you more than what I have

But now all I need is a little time to sing this song

E

A7 A7sus/F# E A7sus/F#

And I think we re gonna find a way to lose this strange feelin

All around

I feel ya, darlin , feel ya darlin

When you re home all alone

E A7 A7sus/F# A7 A7sus/F#

Oh, don t you need somebody to talk your troubles to

E A7 A7sus/F# A7 A7sus/F#

Ah, lord I know I wanna catch

D7

the morning train, lord the break of day

F

E

A7 A7sus/F# A7 A7sus/F#

Oh, I long to hear you say we re gonna take that strange feelin

Oh, Timmy all away

A7 A7sus/F# A7 A7sus/F#....

Well it s just like a mockingbird a-singing on a hillside

Chirping at his morning song

E

But don t you weep don t you fret don t you wail don t you moan

A7 A7sus/F# A7 A7sus/F#

Can t you hear that whiporwill a-callin?

Now don't you worry

A7 A7sus/F# A7 A7sus/F#

Your daddy's comin' home

D7

He's gonna chase those blues away

F E

And believe me when I say

A7 A7sus/F# A7 A7sus/F#

We're gonna lose that strange feelin' all around all around...
