Sweet Surrender
Tim Buckley

Tim Buckley - Greetings from L.A.
Sweet Surrender

Am9 : X05500
D6(addE) : XX0200

Intro: **Am9**   **Em7**

Am9   **Em7**
Now you wanna know the reason
Am9   **Em7**
Why I cheated on you
Am9   **Em7**
Well I had to be a hunter again
Am9   **A**
This little man had to try
                    Em7   **D6**(addE)
To make love feel new again
Em7
 Cause there s just a few things honey
D6(addE)
I m not old enough to do for you
                  Em7
And there are things, mama
D6(addE)   **Em7**
You just never care to show me
         Bb   **Em7**   **Bb**   **Em7**
So this flim flam lover boy found him a flamingo
Bb   **Em7**   **Bb**   **Em7**
And his flamingo showed him how to tango
Bb   **Em7**   **Bb**   **Em7**
And when they tangoed it d send their hearts a flutter
Bb   **Em7**
Tease them till they stutter
          Bb   **Em7**
Made them so young and tender
Bb   **Em7**   **Bb**   **Em7**
Sweet to surrender in so sweet surrender
Bb   **Em7**
In sweet surrender
Bb   **Em7**   **Bb** **Em7**
Ahh sweet surrender to love

A   **Em7**
But now you re gonna go out and get yourself a reputation
     A   **Em7**

```
But I m gonna have to show you where to start
A                                                    Em7
And then you re gonna bring back your little reputation
     A          Am7                    Em7          D6(addE) Em7  D6(addE)
And prove to me what I could not prove to you
Em7
 Cause I was just too young and hot
D6(addE)         Em7
I was just too cold honey
          D6(addE)
Just too hot to care
               Em7        Am7            A           Em7
Ah just too hot to surrender, surrender to love
          Am7        A          Em7
Sweet surrender surrender to love
                        Am7  A              Em7
If we could just surrender love would heal the mess we made
                         Em7
So give it up mama
It ain t gonna be no good to keep going round and round
Em7                 D6(addE)
You hurt me then I hurt you again
Em7                          D6(addE)
All there s left to do is give it up
Em7        D6(addE)
Give it up and surrender
Em7                     D6(addE)
Sweet surrender Sweet surrender your love
To love... to love...
```
